2. The mare shall be healthy and in sound breeding condition. A veterinarian's statement of mare's breeding soundness shall accompany each mare, and failure to furnish this will result in the mare not being accepted at Bridle Ridge Gaited Horses for breeding. It is out not our responsibility to have your mare examined for breeding soundness.
3. A negative culture must be provided within 30 days of breeding to the above stallion. If the mare has been exposed to other stallions or geldings and has not had a negative culture within the last 30 days, the mare will be refused. BRGH reserves the right to have the mare checked if there are concerns in this matter. This will be paid for by the mare owner.
4. We do not accept wet mares (mares with foals).
5. Mares that are not halter broke, are in ill/poor health, or unmanageable will not be accepted. Rear shoes must be pulled prior to arriving at Bridle Ridge Gaited Horses or mare will not be accepted.

8. BRGH will not guarantee a live foal for any mare that is not ultrasounded within 30 days of last cover date. If the mare is ultrasounded within 30 days of last cover date and confirmed in foal, BRGH guarantees a live foal from this mating. Should the foal not stand and suck, we will give your mare a return privilege the following breeding season. The guarantee will apply only if BRGH is notified within 48 hours of foal's death. A statement from a licensed veterinarian must accompany this notice. The mare owner will be responsible for boarding/mare care fees if this occurs.
9. It is further agreed that if the above-named mare should die, or become unfit, then this contract shall become null and void. A statement from a licensed veterinarian must accompany this notice.
10. It is further agreed that if the said stallion, **SCR's Special Attraction**, should die, become unfit for service or sold then this contract shall become null and void. If sold before breeding, the booking/ breeding fee will be refunded.
