This certifies that _____ has engaged breeding service to **DFE's Future Is a Dun** (stallion), MFTHBA #**04-80618** for the _____ (mare), MFTHBA# _____ for the _____ season at \$600.00 for a live foal.

This service contract is subject to the following:

1. Booking Fee of \$150.00 of the above fee payable with this contract and the balance of \$450.00 plus all unpaid board (\$6.00 per day dry/\$7.00 wet) and expenses will be payable upon receipt of invoice or when mare is picked up, whichever is first.
2. The mare shall be healthy and in sound breeding condition. A veterinarian's statement of mare's breeding soundness shall accompany each mare, and failure to furnish this will be our authorization to have the mare examined by our veterinarian at your expense. A negative culture must be provided within 30 days of breeding to the above stallion. If the mare has been exposed to other stallions or geldings and has not had a negative culture within the last 30 days, the mare will be refused. BRGH reserves the right to have the mare checked if there are concerns in this matter. This will be paid for by the mare owner.
3. Mares that are not halter broken will not be accepted. Rear shoes (if any) must be pulled.
4. It is my understanding that Bridle Ridge Gaited Horses hereinafter referred to as BRGH, will not be held responsible for accident, sickness, or death to my mare and/or her foal. BRGH will exercise judgment in the care and supervision of mare/foal.
5. BRGH agrees to diligently try to settle my mare. If, however, the mare does not settle, I will hold BRGH harmless.
6. BRGH will not guarantee a live foal for any mare that is not ultrasounded within 30 days of last cover date. If the mare is ultrasounded within 30 days of last cover date and confirmed in foal, BRGH guarantees a live foal from this mating. Should the foal not stand and suck, we will give the mare a return privilege breeding the following breeding season. The guarantee will apply only if BRGH is notified within 48 hours of foal's death.
